The bus trip is long but fun.

Do you recognize this group of tourists?

This year made the second year in a row that Mrs. LeForge took the government classes to Washington, D.C. They loaded the buses on Thursday, April 16 and returned from the trip on April 19. The trip was packed full of sightseeing tours, time for individual tours, a little relaxation and special memories for the future. Mr. Deluliis and Mrs. LeForge should both be commended for organizing the trip, helping with the money-making projects, and for spending their own time in giving students this opportunity.

Tom and Theresa set out to do some touring.

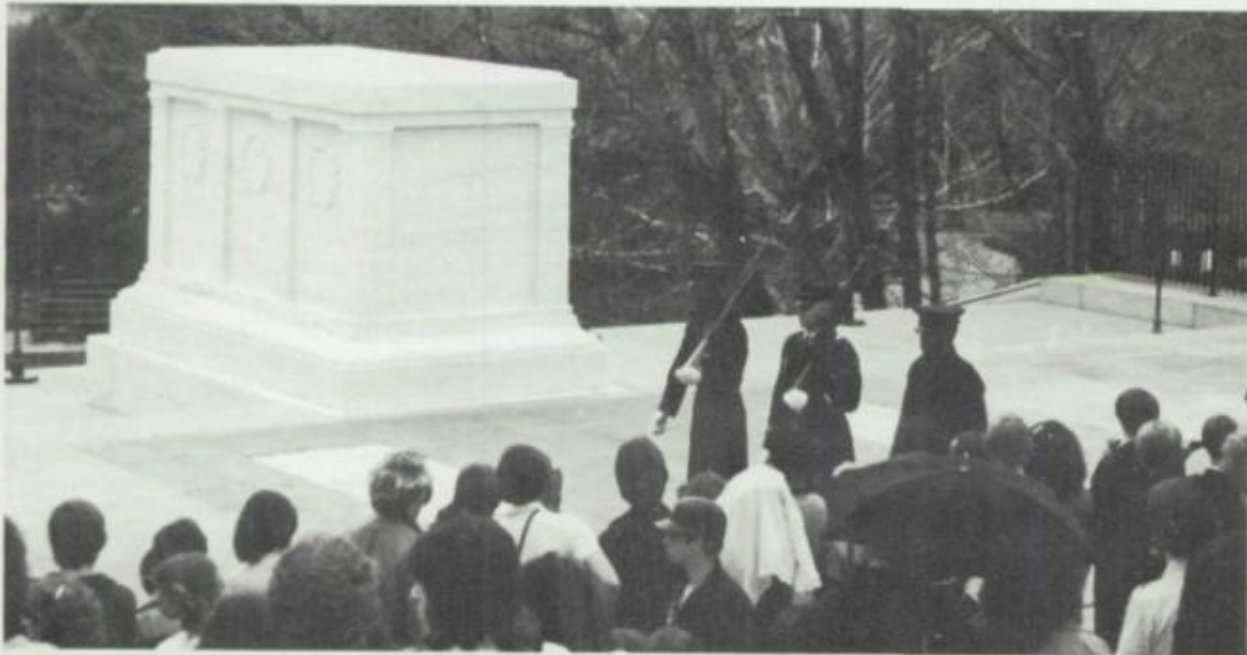

WASHINGTON D.C.

The students as they go up the steps of the Capitol.

The group stops for some refreshments.

One of the stops was the "Tomb of the Unknown Soldier."

There were many historical sights to see.

A short minute to rest your feet.

There's a season for beginnings when the world is fresh and new,
When we shape our dreams of all the things we plan and hope to do!

There's a season for nurturing when we think and work and grow,
There's a season for harvesting all that we have come to know.

For each successful season grows still richer than the last,
As treasures of the present add to the memories of the past.

SOPHOMORE

The Sophomore class, working toward next year's prom, had a successful poster sales campaign, and also sponsored a movie for the entire school called "The Fall of the House of Usher." At home basketball games, the class carried on the Sophomore tradition of operating the coat check for a good profit.

The class of 1983 was led and motivated toward their goals by their advisor Mrs. J. Miller. The officers of the class were President — John Hagemeyer, Vice President — Kenny Knitz, Secretary — Becky Irick, and Treasurer — Rose Shaull.

FRESHMEN

CLASS

Officers for the Freshman Class are Brian Rice (President), Barry Kirby (Vice-President), Michele Solether (Treasurer), and Debbie Myers (Secretary).

The Freshmen took part in the hall decorating contest this year. Their hall consisted of Charlie Brown and the Peanut Gang spiriting the Royals to victory. Along with the hall decorating, the Freshmen also were involved in the airplane pep rally contest. They came out #1!

A movie, "Wait Until Dark," was shown by the Freshmen for the student body and helped the class get a head start on the prom.

Another big event came when the students ordered class rings. The ordering was done in February and the rings will be arriving before the new school year begins.

The Wrestlerettes often went beyond the call of duty when working for the Royal Grapplers. The girls channeled their energies into decorating lockers, making scrapbooks, baking goodies for those wrestlers who had little difficulty making weight, and serving as statisticians for Coach Z. Many weekends were spent on the hard bleachers and a typical Saturday tournament would last from seven until ten.

Kevin about ready to make contact with the ball.

The Elmwood Baseball Team set the best record in baseball that the school has ever had (17-5). From designated hitter to the fine pitching staff, everyone played a part.

Buckingham, Simons, Rothenbuhler, and Barnhisel gave the Royals some great pitching all the way down the line. Defensive plays made the Royal's opponents have to work hard for every hit. Offensively, their bats were hot and their speed around the bases was superb.

The Royals captured the Sectional Title, the District Title, and advanced to the Regional semi-finals. The team also shared the SLL crown with Lakota and Eastwood.

... and this season belonged to the Royals.

The Student Council kept a very busy schedule. The council made up of elected officers and representatives from each of the classes helped with various functions at the school. The students guided parents on Parent-Teacher Conference Day, gathered food for a needy family at Thanksgiving, and organized homecoming festivities.

Officers of the Student Council were C. Sheline (President), D. Lewis (Vice-President), K. Adkins (Secretary), and E. Harrison (Treasurer).

Planning homecomings are always one of the biggest events for the Student Council.

SKI CLUB

The 1980-81 school year was the first year for a Ski Club at Elmwood. The club was a big success, with nearly twenty members participating in the activities. Each Monday for six weeks in a row, the members traveled to Mad River Mountain in Bellefontaine, Ohio, for an evening of skiing and fun. For many members this was their first attempt at skiing, but all involved had an enjoyable experience.

Row 1: Sec. — L. Steinman, Pres. — J. Halsey, Advisor — Mr. Severin, V. Pres. — J. Stewart, Treas. — E. Harrison. Row 2: A. Frishman, T. Hays, M. Whelan, T. Meeker, C. Sheline, C. Patterson. Row 3: R. Holeman, H. Hoiles, R. Wickard, K. Hoiles, J. Wagner, J. Beaverson. Row 4: S. Bauerschmidt, C. Firsdon, P. Lee, M. Halsey, S. Rosendale, B. Phillips.

ANNUAL STAFF

Front row: D. Reynolds, A. Kathrens, R. Williams; Second row: A. Laborie, T. Strausbaugh, J. Carter; Third row: D. Campbell, A. Arnold, A. Gerkens, Mrs. Wellman (Co-Advisor), Mrs. Szymczak (Co-Advisor, not pictured).

The Annual Staff has dedicated many hours of detailed work in the publication of this yearbook.

It all begins with selling ads, to selling the yearbook, to organizing the layout of the book, to typing and editing the material, to making the final shipment of the copy.

It is hoped that the annual will be more than just a picture collection, but rather a collection of the entire school year's events. The moments depicted in this volume will be remembered far more in the future than in the present.

The Annual Staff is the core of the book but there are others who should be thanked. Phil Lee, Mike Stone, and Bill Smith all contributed to the photography.

Come on guys, you've only been at it twelve hours.

Joan trying to get Mark made up.

Rodney — didn't think you would ever get to the fun part, did you!

Many events held at Elmwood require many hours of preparation. Two of those events are the prom and the musical. For two to four hours, people sit back and relax after hours of work have been put into creating the final production.

Oftentimes, however, the students have as much fun putting it together as they have attending the event.

Amy Harrison was the 1980 Basketball Homecoming Queen and her escort was Doug Laborie.

The Basketball Homecoming festivities took place prior to the Oak Harbor ballgame. Amy Harrison returned as the previous reigning queen and crowned Cheri Sheline as the 1981 Basketball Homecoming Queen.

Each of the attendants received a large bouquet of flowers as well as a charm from the Student Council.

The Homecoming Dance was sponsored by the Student Council the following evening.

HALLOWEEN TREATS US TO EXTRA P-E-P

The cheerleaders organized a Halloween Pep Rally for the student body. Students were asked to dress up in their favorite costumes and to compete in different categories. Faye Osborn and Brian King were just a couple of the winners.

RELAY RALLY!

To add variety to the pep rallies, the cheerleaders had impromptu relay races with students and faculty providing the competition.

As one can see from the pictures, everyone seemed to enjoy themselves as they competed for class recognition.

"We've Got Tonight"

May 2, 1981

The Junior Class sponsored the Junior-Senior Prom which was held on May 2, 1981 in the high school gymnasium. A buffet dinner was served, Mainstreet provided the music and Mr. Ramsey called the square dancing.

The class decorated the gym with a room size gazebo surrounded by a hedge. They paneled the gym with starlit paper which gave the appearance you were looking out a window. The candlelighted tables with miniature gazebos added the final touch for an evening long to be remembered by those attending.

Officers of the National Honor Society and their parents were seated at the head table.

HONORS BANQUET

The National Honor Society helped to organize the Honors Banquet which was held on May 18, 1981 in the high school cafeteria.

Parents of the students who had accumulated a 3.5 grade point average were invited to attend along with their son/daughter.

A dinner was served and the Troubadours performed for the entertainment.

Mr. Bower and Mr. Darling handed out honor pins to the students.

The 1980-81 Marching Band was new in several aspects this year. One reason was the new director, Mr. Waggoner. Mr. Waggoner opened many doors contributing to the improvement of the band.

For the first time mallets were added to the percussion section. This addition aided precision and improved the overall technique.

Another change involved changing from one drum major to two drum majors. Both served to keep the band together and to also add color and contrast.

The halftime and pre-game shows entertained the fans throughout football season.
